**PART 1: Review Comments**

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b><u>Compulsory</u></b> REVISION comments	<b>Please indicate the importance of Traditional Healers in making these preparations. Please give Traditional Healers thanks for keeping the people of Ghana alive. Please recognize that plants are combined in a preparation to make the preparation work better. Some ingredients may synergize the effects of others. Therefore, concentrating the preparations is not necessary.</b>	Thank you. Comment has been accepted. The importance of the traditional healers and the fact that plants species may be combined for synergistic action has been included in the manuscript.
<b><u>Minor</u></b> REVISION comments		
<b><u>Optional/General</u></b> comments
