SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	1. Line 30: rephrase to humans and animals 2. What informed your decision about the choice of 137 as your sample size, state the formula used to arrive at the size 3. How did you choose the study subject from within the Mymensingh district? 4. The author should go through the manuscript carefully and correct all errors especially the spellings.	1. Line 30 has been rephrased 2. We simply got those 137 samples during the study period. 3. Our university is located in Mymensingh, Bangladesh so we focused on Mymensingh district. 4. We have corrected errors and spellings.
Optional/General comments
