New Title of the Manuscript:	Revisiting Ebola outbreaks public health emergencies in fragile conflicts zones and displaced populations in Africa
Type of Article:	Research article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The authors should make minor correction in areas highlighted in red. The use of long statements need to be looked into and the authors should edit the use of statement and provide references for some of their assertions	Thank you for the positive minor critics and comments These were very helpful and consistent in improving the quality of manuscript. All relevant areas indicated the reviewers were read and rewritten and consolidated. The entire manuscript was read for fluency and coherence. We are pleased to resubmit our final version Thanking you in anticipation
