PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
-Capital and small letters must be revised. Eg, growth of Dermatophytes, Preschool Children, whereas Cases of tinea capitis -Only spell out the <i>acronym</i> the first time it is used, not after. Eg, you mention "but certain species e.g. <i>M. audouinii</i>, <i>T. Schoenleinii</i> and <i>T. violaceum</i> have" without spelling out and do it later. Eg, caused by <i>Microsporum canis</i> (<i>M. canis</i>) – <i>Trichophyton tonsurans</i> (<i>T. tonsurans</i>)- <i>Trichophyton violaceum</i> (<i>T. Violaceum</i>) - The phrase (five of <i>Microsporum</i> genus), must be corrected to (five <i>Microsporum</i> genera), - According must be followed by "to". classified according to clinical type of -(This study is conducted) better to be written in the past (This study was conducted). - Choose one: drops of 20% potassium hydroxide (KOH) solution were -or- a drop of 20% potassium hydroxide (KOH) solution was	All small and capital letters were revised and corrected. And all other grammatical and linguistic errors were corrected. Thanks very much for your valuable advices and notes.
