

SDI Review Form 1.6

Journal Name:	International Journal of TROPICAL DISEASE & Health
Manuscript Number:	Ms_IJTDH_35874
Title of the Manuscript:	Maximum inhibitory dilution of a water suspension of fresh garlic extract against oral yeasts of Candida albicans isolated from patients hospitalized in an Intensive Care Unit
Type of the Article	Short Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	N/A	
<u>Minor</u> REVISION comments	N/A	
<u>Optional/General</u> comments	This paper presented very interesting study to determine the maximum inhibitory dilution (MID) of a water suspension of against oral yeasts of Candida albicans isolated from patients hospitalized in an Intensive Care Unit (ICU). The paper is written very carefully and it is a well written paper. The reviewer recommends this paper for acceptance with the following change. 1. Title: It is too long. 2. Conclusion: It is too bulky. Make it concise form possibly with some numerical results. 3. 4. Conclusions must be comprehensive and not written like a report 4. It's very important if you added some references of 2015-2017.
