

SDI Review Form 1.6

Journal Name:	International Journal of TROPICAL DISEASE & Health
Manuscript Number:	Ms_IJTDH_42095
Title of the Manuscript:	RHEUMATOID ARTHRITIS IN IMAGE OF MAGNETIC RESONANCE: A PROPOSAL FOR REVIEW OF LITERATURE.
Type of the Article	Review Paper

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Inclusion of Full forms in Abstract Typing error – AR instead of RA in introduction part It is not clear why author is doing review of literature in two techniques of MRI. It should be mentioned in the article.	Typing error (AR instead of RA) in introduction part corrected OMERACT: Measurements of Results in Clinical Trials of Rheumatoid Arthritis. RAMRIS: Rheumatoid Arthritis Counting System in Magnetic Resonance Imaging. The review is only of ramris, which obeys the norms established by rheumatologists who came together and were named as omeract group. Still, magnetic resonance imaging follows protocols that use several image weights for the complete evaluation of structures, t1, t2, stir, dp fat etc.
<u>Minor</u> REVISION comments	Inclusion of Database searched	Database included in the subject matters and methods. Data collection took place in a virtual environment, at the bases of Google academic, Scielo, National Center for Biotechnology Information (NCBI), Database of the National Library of Medicine of the United States (PubMed) and in the digital library USP.
<u>Optional/General</u> comments
