General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. Table showing exact questions at the interview (ethical approval) to be shown that was adapted from the ISAAC questionnaire 2. Was there any seasonal influence on wheeze episodes? 3. A correlation to show family history of wheeze/rhinitis vs age at 1st onset of asthma will be helpful 	<p>Table showing exact questions at the interview (ethical approval) to be shown that was adapted from the ISAAC questionnaire(Not Exact questions, Just we adapted and derived our questions according to local situation ..DONE)</p> <p>Was there any seasonal influence on wheeze episodes? Not in the objective of the study</p> <p>A correlation to show family history of wheeze/rhinitis vs age at 1st onset of asthma will be helpful(it is a mini questionnaire, not detailed one since that it is for training of the students)</p>
Minor REVISION comments	<p>Line 5 – change to 'asthma has increased'</p> <p>Line 8 – to identify</p> <p>Line 11 – 'was randomly selected'</p> <p>Line 13 – Questionnaire was adapted</p> <p>Line 17 – There were ____males (%) and ____females (%)</p> <p>Line 24 – spelling error 'flu'</p> <p>Use the past tense in the entire text</p> <p>Line 157 – What is the meaning of 'purposively'? Do you mean 'pre-selected'? What do you mean by 'fumes'?</p>	<p>All suggested corrections were done and highlighted.</p> <p>The past tense was used.</p> <p>The word purposively was deleted and pre-selected was meant & highlighted. Fumes are wood fumes (from cooking) and burned garbage around homes.</p>
Optional/General comments	<p>Would suggest organizing the article similar to the publication in the link below: https://www.ncbi.nlm.nih.gov/pmc/articles/PMC3410110/</p>	<p>Sorry article was not found in the link mentioned</p>
