PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Sub-microscopic malaria in pregnancy is a feature that is worth talking about in such a review paper because it is clearly of relevance. Use full information can be found here. https://www.hindawi.com/journals/jpr/2015/959427/#B2	Thank you very much for providing us very relevant article. We have included about sub-microscopic malaria in our review. Line 78 – 80, 106 – 108.
<u>Minor</u> REVISION comments	On line 104 I believe the authors wanted to type “low birth weight not Low Birth rate”	- We have corrected as “low birth weight”.
<u>Optional/General</u> comments
