

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	<u>International Journal of TROPICAL DISEASE & Health</u>
Manuscript Number:	Ms_IJTDH_38084
Title of the Manuscript:	Sexual Health Communication Strategies and HIV/AIDS Awareness among Students in Teachers' Colleges in Central Uganda
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The revisions carried out have improved the quality of the paper. However, there are a few comments that need to be addressed as follows: Content on abstract is good but words could be reduced to 250 Line 66- To read-in the form of seminars Line 77- Move references to end of sentence and in the order of sequence [4, 11, 12] Line 209- To read " is in agreement" Line 229- The student teacher trainees in this study should read- Who participated in this study Line 272- for teachers use the book-to read "for teachers to use" Line 295- It is not clear on what you mean by types of HIV/AIDS. Do you mean stages or types of opportunistic diseases? This is not clear
