PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Title: Needs revision, clarify who is a "Health Manager" what is his/her role? Such a functionary is present in Primary Health Care team? Abstract: Background needs revision keeping in mind objectives of study. There is so much written about essential drugs but very little about "health manager" and the role. Methodology: OK, clarify if you target Primary Health Care Centre or Health Centre HC I, II,III,IV rural hard to reach centres Results: Line 78- needs revision, give only summary findings, attach the numbered tables at the end of the article. Clarify "Community Health Officer and Community Health Extension Officer " are they one and the same, what is their role Discussion: OK but what kind of drugs supply system do you follow- "Pull system or Push system" Reference: OK	
Minor REVISION comments		
Optional/General comments
