General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Author(s) provided a comprehensive review of Prevention of Malaria in pregnancy: Sulfadoxine-Pyrimethamine intermittent preventive treatment, resistance, and update on potential preventive strategy. The reference list should be modified to reflect true Vancouver referencing style by removing the parenthesis enclosing the numbers, eg; 7. Himeidan YE, Elbashir MI, Adam I. Attractiveness of pregnant women to the malaria vector, Anopheles arabiensis, in Sudan. Ann Trop Med Parasitol. 2004;98:631-3.	
Minor REVISION comments	The following typographic errors should be corrected: - In line: 44 - Remove the word "the" Placental malaria is the one of the major features of malaria... - In line: 71 – Remove the word "the"..... Maternal anaemia is the one of the commonest complications.... - In line: 85 – The word "to" should be replaced with "for"..... insecticide treated nets (LLINs) are recommended to use in stable.... - In line: 87 – should be corrected as spraying (IRS) are being implemented as part of the malaria control program [25]. - In line: 111 – Put a full stop mark after the in-text reference [34]..... complications in a meta-analysis of 7 trials in Africa [34]. In 2013, the..... - In line: 114 – the sentence should be corrected as Compliance to the recommended regimen needs to be emphasized..... - In line: 169 – the sentence should be corrected as monthly DP is effective and has the potential to be used as.....	
Optional/General comments	A very comprehensive review of the subject matter.
