SDI Review Form 1.6

**PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p>Description of study group, deeper discussion is necessary.</p> <p>Topic about depression (added in discussion was putted without tools (in discussion) -the question is: this is for authors' consideration - if this part is connected with the rest of their article you should put Beck questionnaire into tools and show some results. If not this is not connected with whole article. The table 4 was missed (or mistake in numeration). Some technical improvements in references are necessary.</p>	
<b>Minor</b> REVISION comments	<p>Punctuation mistakes, And some minors comments I put into the text.</p>	
<b>Optional/General</b> comments	<p>Interesting article, valuable but needs some improvements. Especially in study group description, procedures and discussion.</p>	

**Reviewer Details:**
