PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	- There are lots of spelling and grammatical errors. Please revise whole draft.	
Minor REVISION comments		
Optional/General comments	Overall it's a good article which aims to find out the neuropsychological management in a patient with Right Hemisphere Damage. Luria's approach seems to be effective in such cases where the cognitive capabilities are compromised.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
