**PART 1: Review Comments**

|                                            | Reviewer's comment                                                                                                                                                                                                                                         | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments |                                                                                                                                                                                                                                                            |                                                                                                                                                                               |
| <b><u>Minor</u></b> REVISION comments      | <b>This manuscript has good English; just need some correction em scientific names that need italic. See text.<br/>The evaluation brings important information for governmental programmes and a complete profile of the cola production in this area.</b> | <b>Thanks so much for the comments.<br/>The manuscript has been reconsidered and checked accordingly. Therefore, we think that it accounts more improvement now.</b>          |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                                                                                                            |                                                                                                                                                                               |
