SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The minor revision includes: - Two much key words, the author must use the words which are not included in the title - the author must review the punctuation of all the paper, - the discussion of the findings must be done only in the discussion paragraphs,	We appreciated the reviewers' comments and found them useful. We have tried to make the paper more readable and informative. we improved the readability and the structure of the manuscript as a whole. - We reduced the Key words as suggested - the use of punctuations were corrected as suggested - we avoided unnecessary discussions from the result sections, and used them in the discussion section Please see the revised manuscript for detail
<u>Optional/General</u> comments
