SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The Abstract should contain findings on all the objectives of the study and also the major recommendation. In the introduction, the author made some general statements which should reflect the context of the study. In the methodology, the author should clarify if each clan represents a rural community or a family. Some references cited were not listed in the reference list.	
<u>Minor</u> REVISION comments	There is need for the author to give the equivalence of the Naira to the US Dollar since most of the readers of the report are not from Nigeria only.	
<u>Optional/General</u> comments
