PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	This is average level paper which has very generic discussion point and findings. So that author needs to make it so specific in terms of research gap in the field.	Dear Reviewer Thanks for your consideration I review my manuscript again, and i edited it again
<u>Minor</u> REVISION comments	Discussion is below than average of scientific paper do that need to improve in discussion.	
<u>Optional/General</u> comments	Need to make it more relevant innovative and specific in terms of findings and discussion.
