

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">Journal of Advances in Microbiology</a>
Manuscript Number:	Ms_JAMB_39522
Title of the Manuscript:	Analysis of Fecal Coliform Levels at Watering Points along the Upper Reaches of River Isiukhu in Kakamega County, Kenya
Type of Article:	Original Research Article

**PART 2:**

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>The authors changed the references in the text from number to authors name. Is this the journal guideline? I didn't check it. It should be checked by the editorial office. In the reference section, authors name should be followed the sequence of the alphabet.</p> <p>I accept the paper in current form but the editorial office should ensure that the authors were followed the journal guideline. This paper doesn't need to send me back again for further review.</p>
