**PART 1: Review Comments**

|                                     | Reviewer's comment  | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|---|
| <b>Compulsory</b> REVISION comments | <p>This articles brings results that is interested only for the Kenyan citizen. One question authors should answer clearly is: why did the station points present different results?</p> <p>Results are poorly presented and discussed. Authors could have analysed abiotic variables that contribute to this results</p> |   |
| <b>Minor</b> REVISION comments      |   |   |
| <b>Optional/General</b> comments    |   |   |

**Reviewer Details:**
