

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Journal of Advances in Mathematics and Computer Science
Manuscript Number:	Ms_JAMCS_38568
Title of the Manuscript:	Root Systems, Cartan Matrix and Dynkin Diagrams in Classification of Lie Algebras
Type of Article:	Review Paper

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
There are some of misspelling again. In the title: Separate the "CartanMatrix" as "Cartan Matrix" In the Keywords correct "Catan" as "Cartan". In the Page 7 line 12 Correct the font size of "and" in the sentence "α_i and α_j". In the Page 7 line 13,14 Separate the "the C_{ij}" as "the C_{ij}" In the whole paper, spaces should not be placed before punctuation. Spaces must be left after punctuation marks. All references are not used in the manuscript. Especially the author should cite the references [1] and [3] in the introduction part.	In title Cartan Matrix was done. In the keywords Cartan was done. In page 7 line 12 - (Now page 9) and was corrected. Page 7, line 13, 14- (Now page 9) the C_{ij} was separated. Spaces were revised in the whole paper to be after punctuation marks , done in yellow. References[1] and [3] were cited in the introduction part. Most of the references were essential in the material of the manuscript and were introduced as references for researchers.
