SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Although the topic of the article is of current scientific interest, the way in which the manuscript is (structured, written, presented) does not show its importance. It is recommended a deeper discussion of the results. It is necessary to improve and clarify the presentation of tables and graphics, as well as the figures. If there are any ethical issues, please clarify.	Read the introduction carefully ... Noted ... Colour modifications has been done ... None ... We got approval from the Department where the research was carried
<u>Minor</u> REVISION comments	Adjust the manuscript to the journal format. It is encouraged to correct errors and - misspellings. Standardize format references.	Noted ... Noted ... Noted ...
<u>Optional/General</u> comments
