SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	Authors have made good contribution. I am unable to understand the meaning of lane 25-27 what is this? Either it study already published?	The effect of this extract on male reproductive hormones was evaluated, written up and submitted to a journal but at the time of first submission of this manuscript, that write up was still being processed. Currently, the paper has been accepted for publication so, those sentences will be deleted and proper citation in the reference effected.
