PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	The Manuscript needs to be thoroughly edited for English. Table 1 needs to be thoroughly revised as a lot of statements are incorrect. I have marked all my comments/suggestions clearly in the manuscript which I have scanned and uploaded. The reference section also needs to be edited for accuracy. Reference citation in the reference section is also inconsistent.	Dear Reviewer, Thank you very much for your valuable comments regarding this manuscript. Now the manuscript edited with the help of an English professor for English Grammatical corrections. As per your suggestions/comments marked in the scanned copy of the manuscript, we revised the table and text according to your indication. Now the reference section also revised for accuracy as per your instructions. As per your suggestion, we found a very few reference citations as inconsistent in the reference section. Now we corrected it in the reference section as well in the text. Thank you.
