SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Even if the argument could be interesting, manuscript was not submitted in fluent English. For this reason it is not possible to evaluate the work properly. The authors are suggested to seek the assistance of a native English-speaking colleague or use a professional translation or language editing service before submission.	
<u>Minor</u> REVISION comments	As not all the readers are expert in epilepsy it will be useful to better explain its clinical aspects. The authors must check the use of abbreviation, as many times they use an abbreviation before explaining the meaning of the acronym, or explain the acronym different times. An accurate revision of the references is suggested as there are many differences in their format.	
<u>Optional/General</u> comments
