

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Journal of Advances in Medical and Pharmaceutical Sciences
Manuscript Number:	Ms_JAMPS_25655
Title of the Manuscript:	Antioxidants and Antimicrobial- activities of methanol leaf extract of <i>Senna occidentalis</i>
Type of Article:	Original research paper

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
1.The authors answer that your work was different from the study of Odeja et al because you study <i>Senna occidentalis</i> in North central, Nigeria compared with the study of Odeja et al in South west, Nigeria. Please state this objective in the abstract. This will make your work valuable and different from the previous work. 2.Please discuss the results (antioxidant and antimicrobial activities) of this study which use the plant from the North central, Nigeria compared to those of South west, Nigeria (by Odeja et al). 3.Please check format of Reference #20.
