SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	-	
<u>Minor</u> REVISION comments	Line 12: <u>group 2</u> to be replaced by <u>group 2-6</u> Line 12: <u>group KBrO₃</u> to be replaced by <u>KBrO₃</u> Fig 7 placing of horizontal legend needs to be changed	Thank you for the observation. This was an oversight, and the request has been effected. Line 242 and 503 you meant? This requested changes has been effected. We cannot understand this comment. We didn't see any wrongly placed legend. Fig 7, 8, and 9 legends were all placed in a similar manner, so why comment differently on Fig. 7. We require more clarity on this request.
<u>Optional/General</u> comments	Few spelling mistakes need to be corrected. Overall, the article is good.	Thanks for this acknowledgement.
