PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	I have found some mistakes and shown them on your manuscript. I am sending the form and the corrects manuscript as attach files. The ms can be accepted for publication after minor revision	Answer: Thank you for your suggestions. Corrections have been done as per your suggestions and highlighted in red color throughout the manuscript.
Minor REVISION comments	There are some some mistakes in the manuscript. For example; the names of plant used in the study should be written as full epithets (author and family etc.), these are shown on the ms.	Answer: Corrections have been done as per your suggestions in the abstract section. This was already done in Table 1.
Optional/General comments	This research paper is original and research results are meaningful by the applying scientific meaning.
