Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
This paper still has the plagiarism issue. As you can see in the attachment more than 70% similarity is from a single paper. If its author's own work then ok you can ACCEPT it. Otherwise it comes under plagiarism and author has to reduce the plagiarism.	Thank you The paper was submitted to Turnitin for plagiarism check through the KNUST website and therefore stored in the database. Thus the 72% shown is in comparison to that paper I personally submitted.
