PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	1. Should attends or caretakers at home be included in study. 2. Through some light on clinical departments of hospital in question.	1. We have taken your point and highlighted it in sample selection section. "According to some researchers, caregivers need to be included in studies concerning PIL or drug leaflets". 2. The main hospital is a specialized center that provides medical specialties, surgical, critical care and dental services. It also contributes to the health education and teaching at the local level besides enhancing treatment of diseases through medical research and specialized medical training programs. This is inserted in the manuscript. Thank you very much for your comments!
Optional/General comments
