

SDI Review Form 1.6

Journal Name:	Journal of Advances in Medical and Pharmaceutical Sciences
Manuscript Number:	Ms_JAMPS_41425
Title of the Manuscript:	Toxicity Studies and Phytochemical Screening of Aqueous Extract of Cissus arolioides Plant
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	It would be a stronger story if adding some lab test of these animals to this manuscript, such as blood cell count, liver function and kidney function.	
Minor REVISION comments	When talking about biological effects of these phytochemical components, could the author please cover their toxic effects as well? May there be some interaction between the effects of various phytochemical components?	
Optional/General comments
