

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Journal of Cancer and Tumor International
Manuscript Number:	Ms_JCTI_29757
Title of the Manuscript:	Factors Contributing to Delayed Breast Cancer presentation: A prospective study at Parirenyatwa Group of Hospitals, Harare, Zimbabwe 2010-2013.
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>I still find the use of discriminant analysis confusing, where "reason for delay" was also a factor for delay. I suggest a statistician should look at this.</p> <p>What are the limitations of this study?</p> <p>What are the strengths of the work?</p> <p>The discussion and references still does not reflect experiences of other studies in the third world particularly Africa where late presentation of breast cancer is the order of the day.</p> <p>The conclusion and recommendation should be more concise</p>	<p>Reasons of delay was a question on its own as part of the questionnaire, clarified.</p> <p>Statistician was consulted</p> <p>Given</p> <p>Given</p> <p>Corrected</p> <p>Corrected</p>
