PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	The article is relevant to the academic and local community is well written, but could have made some associations such as internship and age among others.	Attempts have been made in this regard.
<u>Minor</u> REVISION comments	Could have made some associations like stage and age among others.	Attempts have been made in this regard.
<u>Optional/General</u> comments	Overall, the article is relevant but could have talked about the importance of early diagnosis.
