SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	• Title should be "Screening of Disease Resistant Varieties against Brown Leaf Spot of Paddy in Allahabad, India". • Conclusion part missing in this manuscript, so add it. • In pot screening (Line 70 and 71) of material and methods how the number of plants would be 30? Explain it. • Present all data of 2014 and 2015 of same experiment in one table for example, combine Table 1 and Table 4 data because of same type of experiment repeated over the year and no need to present in separate table. • Some grammatical correction should be done as suggested in the .pdf file attached herewith. • Two references (Line 317 and Line 334) should be removed because there is no citation in the manuscript. • There is some citation in the text but references are missing. So, references should be necessary. The citations are as follows: 1. Line 266 – Hossain and Kulkarni (2001) 2. Line 269 – Saifullah et al. (1991) 3. Line 269 – Nagaraju et al. (1991) 4. Line 272 – Jha et al. (1999) and 5. Line 274 – Bonman, 1992.	• Thank you sir for suggest to about my topic. • In this manuscript, I have screened 25 varieties against brown leaf spot so that not conclusion. • I have corrected line No. 70 and 71. • I have also grammatical correction should be done as suggested. • I should be removed two references. • Add all the reference in manuscript.
