General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	-- Additionally, I suggest to author following paper; http://kfbid.giresun.edu.tr/fileadmin/user_upload/2016_SONBAHAR/KFBD_2016_Sonbahar_10_.pdf	Reviewer's suggestion is a reference to an empirical work. Technical report pattern for empirical report is slightly different from a review work. Fortunately, a lot of our empirical works similar to the Reviewer's reference link is well documented and was well referred in this work. Thus, Reviewer's link can be said to further support our review
Minor REVISION comments	---	Agreed with little modifications highlighted in yellow colour
Optional/General comments	English language needs to be checked by native speaker prior to resubmission	Checked by English Language Scientific Editor of the Directorate of General Studies, Federal University Ndufu-Alike Ikwo, Nigeria
