

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms JEAI 37717
Title of the Manuscript:	Production and quality of jelly palm fruits submitted to Neem oil
New Title of the Manuscript:	Production and quality of palm fruits submitted to Neem oil
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
1-Full scientific names are written for the first time, then abbreviated, for example, <i>B. odorata</i> (in all the manuscript) See lines: 2-23: of <i>Butia</i> of the <i>Butia odorata</i> (¿?) 3-274: See Table (different number): (71.82 vs 71.92). 4-301, 455, 454: scientific name in italics 5-449, 459: yield; ares (are wrong). 6-318: 415,64 is: 415.64 7-The reduction of the level of fruit infestation by the insects by use of Neem oil, may have benefited the pulp yield due to the greater accumulation of reserve substances in the fruits (Table 2), caused, according to Kerbauy [13], by the consequent reduction of energy expenditure with the production of secondary metabolites and reconstitution of the damaged tissues of the epidermis and fruit pulp. (see paragraph). 8-in the graphs: numbers must have point 9-see the punctuation errors in the manuscript	1- Scientific names were rewritten accordingly, in all the manuscript (changes in yellow colored letters); 2- Butia is the fruit common name, from <i>Butia odorata</i> fruit trees, for better understanding we've changed it to "fruits"; 3- In line 274 there was a writing error, it has been corrected; 4- Scientific names we placed in italics; 5- References titles we revised and corrected; 6- We added the dot, and removed the comma; 7- This sentence was reformulated in a more explanatory way, regarding fruits physiology with the external influence of insect attacks; 8- Dots have been placed within the graphs, as suggested; 9- The manuscript punctuation has been entirely revised, founded errors were corrected.
