SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	I recommend that the author(s) revise the manuscript and re-submit it. Methodology is not clearly written, It should be clearly written giving the exact number of treatments. There is no indication that any statistical analyses were performed. Author(s) cannot present results without explaining how the data was analyzed. Say there is a significant difference between treatments or time without any analysis is not acceptable The methodology must be written in such a way that author researchers can repeat or follow it.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
