**SDI Review Form 1.6**

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	<b>The active ingredient of the fungicide must be stated. The fungicide application frequency must be stated in the methodology. The author must justify the use of fungicide in disease management- why did the author settle on that fungicide and no other fungicide?</b>	
<b><u>Minor</u></b> REVISION comments	Minor revision is required by the author as indicated in the manuscript. Author must check the manuscript and respond to comments	
<b><u>Optional/General</u></b> comments	The author should check the referencing to conform to journal standard  As per the guideline of editorial office we have followed VANCOUVER reference style for our paper. <b>Kindly see the following link: <a href="http://sciencedomain.org/archives/20">http://sciencedomain.org/archives/20</a></b>
