

Editor's Comment:

I am sending the editors acceptance for manuscript no 2017/JEAI/37096, but I have some comments to manuscript:
Comments to the manuscript no JEAI 37096

in the first row of table 1 should be: Altitude and amsl because above mean sea level Seed size, Seed color, Days for maturity
please uniform names of chapters and subsections: capital letters or lowercase letters
Number of ears per plant or Ear length and Ear diameter
Number of Kernels per Ear or Number of kernel rows per ear

Table 2
Column 1 should be Maize variety and column 2 Row spacing
Title of table 3 please uniform capital letters or lowercase letters in words
References
What is in number 7 ???
Number 15 should be Zea mays
Number 21 Users guide no users guide
No 21, 22 it should be written the ISBN number or something if it is monograph should be written number pages,
No 29 Eastern Hararghe or Hararghe
why names of some journals are written with italics and the rest no? see for example number 6, 13, 25

Agricultural research publications should include 2-3 years of research results.
The article was written on the basis of one-year research results, so it may appear as a scientific short communication.
The article should be shortened about half.
