Comment from reviewer were not changed on revised file. 1.the title was not changed on comment. 2. the references were not changed on comment. For example; more citation ; (Parthasarathy <i>et al.</i>, 2006,Yadav <i>et al.</i>, 2011)... are not appear in the references list. On the other hand more new references were advised on comment, but anyone didn't add on references list. 3.There are still more mistake on the language and writing of paper. Please take consideration of comments and do control references list and add new references which advised to author..	1. Title need not to change since all issues of stability GGE and GXE have been included in article 2. All References have been addressed including Parthasarathy <i>et al.</i>, 2006,Yadav <i>et al.</i>, 2011 3. I have addressed all the mistakes on the language and writing of paper.
