SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	The manuscript is very good and it gives room for other researchers to work on but the major corrections are required in Abstract, Materials and Methods and Result parts of the manuscript.	I have reduced the abstract to less than 350 words. I have amended some changes on the materials and methods section. Similarly changes have made on the results as suggested.
<u>Minor</u> REVISION comments	the values in the table should be in two decimal places and the table should restrict to three lines.	I have adjusted the value in the tables to two decimal places
<u>Optional/General</u> comments	Author(s) need to do the necessary corrections.
