

SDI Review Form 1.6

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_38529
Title of the Manuscript:	Heritability, character relationship and path coefficient analysis in agronomic traits of baby corn over unlike agro-ecological circumstance
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Concise introduction should be indicated in the abstract. Result and discussion should be improved with recent citations. References and citations should follow journal guidelines.	Very few research work has been done on baby corn and the review of literature was not available enough. Reference and citation was written following the guidelines of Journal of Experimental Agriculture International
<u>Minor</u> REVISION comments	Minor corrections should be corrected as highlighted and indicated in the manuscript.	According to reviewer comments correction was done and highlighted in the manuscripts. How path coefficient analysis was done authors mentioned in 95 line in the manuscript In table 4. Co-variance was replaced with coefficient of variations and highlighted in the manuscript
<u>Optional/General</u> comments	Introduction and Methodology were Clear and understandable. Conclusion should be indicated in the abstract. Result and discussion should be improved with recent citations. References and citations should follow journal guidelines.	Reference and citation was written following the guidelines of Journal of Experimental Agriculture International

As per the guideline of editorial office we have followed VANCOUVER reference style for our paper.
