I have a few comments, which I wrote straight in the text.

Authors comment:

1. Page 3 - line 80 – We correct
2. Page 4 – line 96, 98, 111 and 112 - We correct
3. Page 5 – line 127 – We tested the homoscedasticity of variance of the data and now we insert it into the text.
4. Page 5 – line 163 - We inform in the text the software that we use.
5. Page 6 – Table 1 - We made a call in the table footer and included and identified the standard deviation of the mean.
6. Page 6 – Table 2 – We corrected the overwriting of P and we made a call in the table footer and included and identified the standard deviation of the mean.
