PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		Corrections were performed in the manuscript
<u>Minor</u> REVISION comments	it is suggested to review the title, it seems uninteresting It is suggested to review the use of italics throughout the text for scientific nomenclature	Title suggestion: "Agronomic and energetic potential of sorghum evaluated in two consecutive crops" The use of the italic throughout the text was revised and placed in the norms of the scientific nomenclature.
<u>Optional/General</u> comments	The manuscript is in English, but the figures have words in portuguese and seem to be extracted from another work with another format. Please clarify this situation	The manuscript figures have been arranged and all the text is in English.
