PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Results were not discussed. References was not added in the manuscript. Results did not answer, clearly, the author's objectives.	The discussion was improved with an extra paragraph at the end of the results that includes a few more references. The objectives are clearly answered in the results, starting at line 141.
Minor REVISION comments		
Optional/General comments
