Manuscript Number:	Ms_JEAI_42668
Title of the Manuscript:	The status of microelements in the selected ERPP irrigation schemes in Unguja and Pemba Islands, Zanzibar
New Title of the Manuscript:	Assessment of the status of microelements in the selected ERPP irrigation schemes in Unguja and Pemba Islands, Zanzibar
Type of Article:	

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The author had effects almost all the comments except few which had been pointed on the article. - This includes geographic coordinate indicating actual position using lines of latitude and longitude. - For the map of actual study area if not available it could be ignored and the political map in the article should be deleted as it lack attribute of a standard map.	- This comment has been addressed. However, as the schemes were very close to each other, coordinates provided represents the area in which the schemes can be located. - The Maps have been removed as suggested.
