**PART 1: Review Comments**

|                                            | Reviewer's comment                                                                                                                                   | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | None                                                                                                                                                 |                                                                                                                                                                               |
| <b><u>Minor</u></b> REVISION comments      | None                                                                                                                                                 |                                                                                                                                                                               |
| <b><u>Optional/General</u></b> comments    | The manuscript is very well written and I find no issues and it provides great insight into parasite control in the wake of organic farming methods. |                                                                                                                                                                               |
