

SDI Review Form 1.6

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_40685
Title of the Manuscript:	Combining ability studies in lentil for yield and its related attributes
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Soil analysis results of the trial area should be given at material and method. Climate data for research years must be given at material and method. Abbreviations or symbols are explained (for example what are DKL, GCA, SCA..) Conclusion part must be written.	
<u>Optional/General</u> comments	Subject is good . Material and method should be more descriptive. The amount of data presented is sufficient, the statistical treatment and calculations would appear adequate. The tables are appropriate. Manuscript is including important results for breeding syudy. The length is enough. But, no conclusion part. In my opinion ,manuscript is able to publishing in Journal of Experimental Agriculture International SCIENCEDOMAIN after minor corrections are made.
