PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The paper has contributive results and new findings for the species.	
Minor REVISION comments	I suggested a sentence for INTRODUCTION at page 2 together with a reference at last page. They should be certainly used in revised version of the paper to improve the manus.	
Optional/General comments	I recommend that present version of the manus should be published <u>after minor revision</u>. Present Figure, Tables and References should be kept in the text.
