SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The manuscript is about the STRATEGIES FOR TARO (Colocasia esculenta) IRRIGATION submitted to the Journal of Experimental Agriculture International. The title is informative and relevant for the journal; the aim is clear, and the abstract match the rest of the article. However, the paper lacks referencing, particularly in the discussion section. Many punctuation errors, some unclear sentences, inconsistent uses of words are found. Please check the manuscript carefully for the correction these errors. • Several statements were made without supporting references, • Figures are not of sufficient visual quality • Results were not well discussed. Add references to discuss and compare with international works. • Very short conclusion	
Minor REVISION comments		
Optional/General comments
