PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Paragraph 7-8 (Abstract) – Place and duration of study - not necessary as it was briefly captured in aim. I suggest that you rewrite the abstract as tenses and expression are not adequate. 14 – 18 – I suggest “Plant were recognised by” as against “The properties of the plants were recognized by.....” Paragraph 19 – I suggest “Plants with medicinal....” instead of “ The plants with medicinal” Paragraph 25 – I suggest “Brazil is a holder.....” as against Brazil is holder) Paragraph 48 – MATERIALS AND METHODS and not material and methods Paragraph 50 -70 – You need to reframe this as tenses and expression is in adequate Paragraph 85 – 14 should be used and 14ths Paragraph 100 – “List of the” NOT “It lists of the” Define your abbreviations before subsequent use. Paragraph 213 – Not clear Author should work on the tenses, spellings, flow/expression and grammatical errors. I also suggest Author passing the article through an English language expert.	
Minor REVISION comments		
Optional/General comments	The topic of the article is relevant and timely. It also has rich content but lacks coherence.
